

# Scholarships for Success

“Without this award, I would have needed a student loan. As a father, I was worried about how I would support my son.”

Ty Provost, 2010 ENMAX First Nations Wind Turbine Technician Award recipient

Catch your dreams, and the scholarships to make them real, at Lethbridge College.

We offer many dedicated supports for First Nations, Métis and Inuit students, including:

- academic advising, and personal and career counselling
- student lounge and resource centre
- spiritual support from Elders and mentors
- an FNMI Transition program to ensure personal and academic success
- assistance with the funding process
- an **ENMAX First Nations Wind Turbine Technician Award** that includes funding for a living allowance, tools, and books and supplies for our internationally-recognized Wind Turbine Technician 26-week electrician program
- other scholarships and awards, listed on our website. Be sure to apply early!

**Learn more about our programs and services and get ready to catch *your* dreams on our campus.**
