Assembly of First Nations presents

International INDIGENOUS SUMMIT on ENERGY & MINING

June 27-29, 2011
Sheraton on the Falls Hotel
Niagara Falls, Ontario
CANADA

The SUMMIT will focus on:

- » Sustainable and responsible resource development
- » Current and future best practices in energy development, including green energy highlights & carbon market updates
- » Economic education related to mining and energy
- » The many opportunities for First Nations to contribute to the Canadian and world economies
- » This event will also feature a sector trade fair

Who should attend?

- » First Nations and Indigenous Leaders
- » U.S. Tribal Organizations
- » International Indigenous Organizations and Associations
- » International and Domestic Corporate Community
- » Canadian Federal and Provincial Officials
- » Other Levels of Government Working with Indigenous Peoples
- » Economic Development Experts
- » Employment and Training Professionals
- » Economic Infrastructure Developers

“Now more than ever, with the push for green energy, and the growing global need for natural and mineral resources, First Nations have the opportunity to build our economies and empower our citizens for the benefit of our communities and future generations. By providing the best education for First Nation youth, communicating our knowledge for balance, building solid relationships, and advancing with the latest technologies and infrastructures, we can better ensure First Nations play an active and vital role in Canada’s economy.”

National Chief Shawn A-in-chut Atleo

Special Guests and Speakers include:

- » National Chief Shawn A-in-chut Atleo, Assembly of First Nations
- » President Jefferson Keel, National Congress of American Indians (NCAI)
- » Indigenous Leaders from across North America presenting best practices from successful community energy and mining sector projects
- » Margo Gray-Proctor, Chairwoman, National Centre for American Indian Enterprise Development (NCAIED)
- » Anthony Hodge, President, International Mining Council on Mining & Metals
- » Dave Porter, British Columbia First Nations Energy and Mining Council
- » Tracey LeBeau, United States Department of Energy
- » Robert Reid, McKenzie-Valley Aboriginal Pipeline Group
