This 2 day workshop will provide participants with a broad understanding of creating and maintaining good values and ethics within the Aboriginal workplace. The workshop will examine business ethics and how they relate to Aboriginal traditions. Participants will learn the fundamentals of human resource management and how to develop a code of ethics for your organization. We also explore how the issue of ethics impacts governance and accountability as well as all aspects of community and economic development activities.

#### Topics to be covered:

- Difference between ethics, values and morals
- Creating a culture of ethical climate within an organization
- Connection between leadership, values and ethics
- Organizational Model for nurturing ethical behaviour
- What makes a Code of Ethics effective or in-effective
- Compliance based and value based ethics codes
- Core values of traditional ethics and principles as they apply today in an Aboriginal or First Nations context
