

The Grief Recovery Method®

***If you have ever asked yourself the question
 “What more could I have done for my
 community members?” the answer is
 The Grief Recovery Method®***

The Grief Recovery Method® is a systematic program that helps grievors complete the emotional pain and regain control of their lives. It is a proven method for dealing with loss that has been successful for millions of individuals around the world dealing with unresolved grief.

Healing Naturally

During the 4-day Certification Training Program, you will learn:

- Why people intellectualize grief and how that causes them long-term emotional distress
- The six ways people think are the correct ways to handle grief but actually leave grief unresolved
- Why the DABDA model is the wrong approach for grievors
- Techniques for identifying and resolving loss
- Communication techniques for every part of the Grief Recovery program
- The topics that grievors need and want to talk about such as The Residential School experience
- How to deliver the “Helping Children Deal With Loss” program for adults to help children deal with death, divorce, pet loss, suicide, addiction, moving and other losses
- Specific formats to work one-on-one with grievors
- How to market your expertise in Grief Recovery
