

ABORIGINAL BUSINESS MATCH 2012
Matching Business With Opportunity

February 13 - 16, 2012 • Prince George, BC

Your Opportunity To Meet Key Decision Makers From Over Half of First Nations in BC!

The most powerful Aboriginal business networking event in Western Canada! It will employ a unique trade show format of pre-scheduled appointments to discuss business opportunities between pre-qualified business matches.

- 300 decision makers from BC First Nations, Corporate Canada, Aboriginal organizations and governments
- 1,550 hours of targeted business matching over three days
- 4,650 one-on-one meetings to create business opportunities
- Innovative presentations, networking events and out-of-the-box workshops

What to expect from the Aboriginal Business Match 2012:

- Match Aboriginal economic development projects at any stage of maturity with potential partners, investors, service providers, industry, financial institutions, support organizations and government agencies
- Provide corporations with a focused and cost-effective forum to connect with BC's First Nations and investigate business opportunities
- Provide an overview of Aboriginal economic development and corporate Aboriginal relations initiatives (e.g. procurement and partnership) in BC
- Generate interest from investors, corporations and industry in doing business with First Nations
- Connect Aboriginal economic development practitioners with each other
- Connect corporations engaged in Aboriginal business initiatives
- Create visibility for Aboriginal economic development projects and opportunities
- Build a business network in tune with the unique characteristics of Aboriginal economic development
- Provide a venue offering information and connections to resource and develop projects, to sell products, to offer and procure services
