

2013 National Youth Panel

Nominate a Youth from Your Community!

In an effort to highlight Aboriginal youth initiatives and successes, Cando's Annual National Conference and Annual General Meeting features a National Youth Panel. This event features Aboriginal youth, who are pursuing and speaking their ways of success in areas of education, working within the field of Aboriginal economic development and/or as individual entrepreneurs.

Each year Cando selects six Aboriginal youth participants from numerous nominations. The selections for the National Youth Panel are based on their strengths, initiatives, accomplishments, entrepreneurial spirit of launching their careers, and participation within their communities. The panel allows youth from across the country to showcase their talents, achievements and to talk about their challenges, strengths and the support they have received, while working hard for the benefit of their people.
