PROFESSIONAL DEVELOPMENT WORKSHOPS *(additional fee, call for details)*

○ Strategic Planning

Principles and concepts that have positive impacts on strategic economic development planning and implementation are presented for discussion, including:

- The ‘5 Ws’ of strategic economic development planning
- The 9 steps of the strategic planning process
- Creating a ‘plan for the plan’
- The key elements of the strategic plan, and the linkage between each of the elements
- Implementation of the plan – how to move from planning to action
- The role of the EDO as a key participant in the planning and implementation processes
- Implementing the economic development initiatives

The workshop adjourns with each participant creating a strategic economic development action plan and schedule to use in their respective community/company.

○ Designation and Leasing Process for Band Lands

This Workshop will provide participants an introduction to six key stages:

- The designation
- The pre-lease
- The lease
- Pre-construction
- Construction
- Post-construction stages

Participants will be introduced to codes, standards and guidelines of good practice, partnerships, surrenders and fiduciary duty, along with technical definitions and by-laws subject to First Nation communities.
