Our 10-week WBF/ARHCA Heavy Equipment Operator Program is now accepting applications!

Through a new workforce development partnership with the Alberta Road Builders and Heavy Construction Association, **Women Building Futures** will recruit and train 16 women as heavy equipment operators.

Funding is available depending on student eligibility. This is an approved Integrated Training Program with the Province of Alberta.

You'll receive:

- 5 safety certificates
- operating basics and seat time on heavy equipment
- tools and engines workshop
- math review and site map reading
- financial literacy
- workplace culture preparation
- two weeks of work experience
- job placement and retention support
