

# Inherent <sup>and</sup> Treaty Rights <sup>“Renewing Resource Equity in Our Ancestral Lands”</sup> as Economic Rights

March 26-27, 2014  
Delta Winnipeg Hotel in Winnipeg, Manitoba

## Renewing and Empowering our Treaty Fires through Economic Sovereignty and Transition.

- Explore how Resource Equity is the path to self determination
- Participants will learn how Resource Equity generates economic opportunities from within their ancestral lands
- Discuss the implications of Urban Reserve creation and how Urban Reserves will transform indigenous economies
- Explore Treaty Protection through free prior and informed consent mechanisms at the community level
- Experts from across the country will engage participants on how indigenous communities will be involved in shaping Canada's future
- Alternative Energies as a path to a sustainable future

The Resource Equity Conference continues a Canada wide discussion on the future of resource and economic expansion in our communities and more broadly, our ancestral lands.
