A career as a heavy equipment operator is something you can be proud of.

We're now accepting applications for the WBF Suncor Heavy Equipment Operator Program.

You can have a career as a heavy equipment operator working for Suncor in Fort McMurray, with tuition to be provided for qualified applicants. Start your training at WBF in Edmonton and then make the move to Fort McMurray and earn while you learn through the Suncor Co-op program. This program prepares women to be considered for hire by Suncor as Haul Truck Operators for the Millennium Mine Project north of Fort McMurray.

We strongly recommend candidates register to attend a special WBF-Suncor Information Session Forum:
