

FOR IMMEDIATE RELEASE

NATOA's 3rd Annual Indigenous Trust and Investment Conference and Annual General Meeting to be held May 30 to June 1, 2016 in Toronto, Ontario

November 23, 2015 - Toronto, ON - The National Aboriginal Trust Officers Association (NATOA) is excited to announce that the 3rd Annual Indigenous Trust and Investment Conference and Annual General Meeting will take place at the Marriott Downtown Eaton Centre, May 30, 31 and June 1, 2016 in Toronto, Ontario.

NATOA is pleased to be hosting another successful Trust and Investment Conference. The 3-day event is designed to provide an informative and interactive venue for all those involved with Aboriginal Trusts. Speakers will represent both the Aboriginal Communities who have established, or in the process of establishing, and maintained successful Trust operations, and members of the Corporate Industry that effectively service these Communities.

“NATOA’s mandate is ‘Created By The Indigenous People, For The Indigenous People’,” says Mark Sevestre, President of NATOA. “The 2016 Trust and Investment Conference will be aimed at providing Aboriginal Communities with the comfort and confidence of making informed decisions for their Trust and Investment operations. Participants will have the opportunities to explore the Aboriginal Trust and Investment Industry; develop an understanding of the background, evolution and complexities of Aboriginal Trusts; learn how to identify your needs and those you may work with to help manage vital Community assets; and network and develop relationships among the nation’s leaders in the Trust Investment Community.”

About NATOA

The National Aboriginal Trust Officer Association (NATOA) is a national charitable organization formed in 2006, dedicated to assisting Aboriginal communities in building capacity within communities with their Trust Settlements. The organization moved forward with the commitment of a core group of volunteer board members, committee members, and the assistance of a dedicated administrative Manager.

A number of significant accomplishments have taken place since inception, including the creation of foundational promotional materials, a website, several successful educational workshops, securing key corporate sponsors, and a significant increase in membership. In addition to the launch of the first phase of the online trustee training program through Lethbridge College in 2011, NATOA is currently developing further online courses.
