# Northern Futures Scholarship

**Deadline July 31, 2016**

**Are you an Aboriginal student living in Nunavut, Yukon, Northwest Territories or Northern BC? Are you looking for an exciting career in Engineering, Commerce/Business, Computer Science or Electrical/Telecommunications?**

Northwestel wants to Invest in Future Northern Employees by offering six (6) \$4,000.00 scholarships to Northern Students, to provide summer employment opportunities and to hire after Graduation! Our goal is to have 50% of these scholarships awarded to Aboriginal students every year!

#### ELIGIBILITY

- Enrolled in full-time post secondary studies in a two year diploma program or a four year degree program with your major declared.
- Pursuing an education in Engineering, Commerce/Business, Computer Science or Electrical/Telecommunications.
- Northern resident (living within Northwestel's Operating Area).

#### WHAT YOU NEED TO SUBMIT

- Proof of ancestry (photocopy of status card, beneficiary identification or letter) – if applying to be considered for one of the scholarships designated for Aboriginal students.
- Proof of northern residency (photocopy of health card).
- Copy of acceptance letter from post-secondary or educational institution.
- Copy of most recent transcript (high school, college or university).
- Introduction letter or video.
- Current photo for media use (JPEG format).
